

To Whom It May Concern,

I am pleased to write this letter of recommendation for Clifford Opoku-Sarkodie, who served as a Learner Success Champion in the ALX Professional Foundations Program. During their time with us, Clifford Opoku-Sarkodie consistently demonstrated dedication, leadership, and a genuine commitment to the success of their fellow learners.

As part of their volunteer responsibilities, Clifford Opoku-Sarkodie took an active role in assisting peers with assignment completions, often going above and beyond to ensure others could understand course concepts and meet program completion requirements. Clifford Opoku-Sarkodie's ability to break down complex topics into relatable explanations made a significant difference in the learning experience of many.

In addition to one-on-one support, Clifford Opoku-Sarkodie also led group support sessions, facilitating collaborative discussions and fostering an inclusive and encouraging learning environment. Clifford Opoku-Sarkodie's leadership and initiative in running these sessions created valuable opportunities for peer learning and built a stronger sense of community within the cohort.

Clifford Opoku-Sarkodie's contributions were marked by professionalism, empathy, and a strong sense of responsibility. Their impact on the program has been both meaningful and lasting, and I am confident they will continue to bring the same level of excellence and integrity to any endeavor they pursue.

I wholeheartedly recommend Clifford for any opportunity that aligns with their skills and passions. Please feel free to contact me should you require any additional information.

Sincerely,

Kendi Mercy
